

CUT RESISTANT I HAND

CT1071ND

We Protect People.

Graphene Fibre, the next generation in cut-resistant fibre technology.

- 25% Lighter than a standard fibre cut E glove
- No blended fibre glass therefore no fibre breakdown which reduces protection and causes irritation.
- Pinky drop technology ensures that the glove follows the contours of the hand including the little finger, this improves dexterity and comfort.
- 9.16x stronger than HPPE on an equal weight glove
- Advanced double dip nitrile which provides a barrier against oily fluids
- Powerful grip across wide range of applications
- High flexibility and comfort
- Anti-bacterial treated to prevent odour

Key Industries

- Aerospace
- Automotive
- Construction
- Metal Fabrication
- Steel
- Utilities

Liner	Graphene fibre
Coating	Nitrile Dual
Coating Coverage	Fully
Packaging	100% Recyclable 12 Pair Paper Band 144 Case LDPE Poly Bag
Sizes	6-12

EN Standards

EN388

4X44F

EN407

X1XXXX
