

Matrix[®] Nitrile Grip

Matrix[®] Nitrile Grip is a seamless knitted liner with a full nitrile coating. This light, ergonomic glove is close fitting and flexible, and adapts to the hand's movement making it extremely tactile and perfect for high precision work. It features a nitrile coating that offers good abrasion and tear resistance, and is highly resilient allowing for continuous wear without irritation. The elasticated knit wrist ensures a secure fit and keeps the hands free from dust and dirt. A very comfortable glove with excellent grip, the Matrix[®] Nitrile Grip also offers exceptional value for money.
