RECOMMENDATIONS FOR USE

- · The size given corresponds to a well fitting glove
- The stated impermeability performance level (EN374-3) does not reflect the actual protection level at the place of work – other factors may influence the performance.
- · Do not use with chemicals other than those tested without prior trials
- Highly traction resistant gloves, do not use if there is risk of being caught up in moving machines
- Store away from light and humidity
- Rinse the gloves in running water before removing, using a neutral detergent if necessary
