Polyco® BODYGUARDS

Finity PF™

Finity PF™ is a stretch vinyl synthetic polymer powder free disposable glove that has an AQL rating of 1.5 and is compliant to Medical Standard EN455 Class I. Due to its soft, thin formulation this non-sterile examination glove provides an excellent fit with greater comfort, flexibility and sensitivity. It is strong providing good barrier protection, and has a beaded cuff for added strength and prevention of liquid roll back. Containing none of the proteins found in natural rubber it eliminates protein sensitisation.
It is also powder free, reducing the risk of product contamination. These extensive qualities make the Finity PF™ the perfect choice of disposable glove for a multitude of tasks.

Typically used for:

- Pharmaceutical Work • Electronics
- Inspection • Local Authority Work
- Hospital & Clinical Duties
- Automotive Maintenance & Repair

Case Quantity:

100 gloves per dispenser
10 dispensers per case
